Regarding: [EBMT Clinical Achievement Award 2021]

Dear Manuel

It is a great honour to inform you that in recognition of your outstanding contributions to the field of hematopoietic stem cell transplantation, and to the European Society for Blood and Marrow Transplantation, the EBMT Board has the pleasure to confer the **Clinical Achievement Award** of the Society on you.

Of note, the Society is very proud to acknowledge your many achievements in the advancement of stem cell transplantation in your country Portugal.

I am personally very happy that you will receive this award. You honestly deserve this award because of your tireless commitment to EBMT.

This prestigious award has been granted in the past only to a small number of highly regarded individuals, and I am extremely honoured to add your name to this list.

This award will be presented to you during the 47th Annual Meeting of the Society 14-17 March 2021

Yours,
Nicolaus
